**DIFFERENT EXAMINATION.
DIFFERENT PREPARATION.
ONE STRUCTURED ITALY JOURNEY.**

Preparation support is designed to build
understanding, practice and exam readiness. It
does not guarantee any score, rank, seat or
admission outcome. Test formats, syllabi, dates
and the programmes that accept each test are
set by the relevant authorities and universities
and may change.

ADMISSION IS ONLY ONE PART OF THE EQUATION.

An offer letter is a milestone, not a plan. We work through the application, the scholarship and the money together – so the family sees the whole picture before committing.

FOR PARENTS

The questions we help every family answer before a single fee is paid.

? What is the realistic cost per year?

? What might need an education loan?

? Which costs could a scholarship reduce?

? What proof of funds will the visa file need?

PLAN THE MONEY BEFORE YOU PLAN THE FLIGHT.

FROM ADMISSION LETTER TO VISA FILE.

A visa file is only as strong as the documents behind it. We organise, check and sequence them so nothing is left to the last week.
